

# **Government Advertisement: 'WorkChoices' Industrial Relations Campaign**

## **Radio Advertisement One, Broadcast July 22 2005**

Man:

You know what scares me? With workplace agreements that we won't be protected anymore.

Woman:

That's not what it says here in the paper (sound of newspaper opening). Look, protected conditions include four weeks annual leave, personal and carer's leave, parental leave and a maximum number of thirty-eight ordinary working hours per week.

Male voice over:

The Australian government is committed to a plan to create more jobs, higher wages and a stronger economy. For more information on the new workplace relations plan, see this weekend's newspapers. Take the time to read it and find out the facts for yourself.
